	<b>Disgrifiad / Description</b>	<b>Penderfyniad / Decision</b>
1	David INSHAW_Grŵp Diogelwch Ffyrdd	<p>DCroesawodd y Cyngor David INSHAW i roi diweddariad ar weithgareddau'r Grŵp Diogelwch Ffyrdd (RSG).</p> <p>I. Ers y cyfarfod diwethaf mae'r grŵp wedi nodi bod angen canolbwyntio mwy ar dasgau. Dangosodd Mr INSHAW "map meddwl" drafft o dasgau.</p> <p>Mae'n ymddangos bod y cynnig Llwybrau Diogel i'r Ysgol "wedi troi'n astudiaeth ddichonoldeb" ac mae ofnau y gallai'r gyllideb ddiflannu, heb fawr o allbwn diriaethol. Disgrifiodd Mr INSHAW yr ymateb gan Gyngor Sir Ceredigion i'r Cyng. G. EVANS ymchwiliad ar y pwnc fel "siomedig.. cymryd 30 diwrnod i ymateb".</p> <p>Dywedodd y Cyng. Cadarnhaodd EVANS fod yr achos wedi ei symud ymlaen i Bwyllgor Cyllid y Cyngor Sir ac mae'n ymddangos y "bydd y gwaith yn cael ei wneud yn fewnol".</p> <p>INSHAW a'r Cyng. Daeth EVANS i'r casgliad "mae'n ddechrau" a dylai'r RSG ysgrifennu at y Cyng. EVANS yn manylu ar "beth mae [RSG] eisiau ei wneud".</p> <p>PCO Gough (sillafu?) i roi briff yng nghyfarfod</p>

nesaf y Grant Cynnal Refeniw. Mae'r RSG yn parhau i gasglu data gan ddefnyddio'r Raspberry.

Mr INSHAW i anfon e-bost at y Cyng. EVANS gyda chwestiynau penodol iddo eu cyflwyno drwy Click, gan gynnwys gofyn pwys sy'n gwario'r £40k.

- II. Ynglŷn â'r berthynas rhwng y Grant Cynnal Refeniw a'r Cyngor Cymuned; Erys cwestiwn cyfansoddiad yr RSG ond mae'r mater wedi'i "ddyfrhau". Daeth y cyfarfod diweddaraf i'r casgliad bod "popeth yn mynd drwy'r Cyngor".
- III. Ynghylch y draeniad ger y rhyd; mae problem gyda llifogydd. Dywedodd Tudor wrth y Grant Cynnal Refeniw y bu nifer o ymweliadau gan y cyngor. Ymddengys mai'r broblem yw'r cwlfed ger tŷ Cole a Delyth WHITELAW. Gallai gwaith adeiladu dros y ffordd fod wedi difrodi pibell sydd bellach wedi'i blocio. Dywedodd John EVANS ei fod wedi siarad â Dafydd a oedd yn ei dro yn ei sicrhau bod "popeth mewn llaw" ac i fod i gael ei drwsio.
- IV. Am y llwybr i Landdeiniol; Clerc i wneud ymholiadau i Eifion, swyddog hawliau tramwy'r cyngor.
- V. Ynghylch y llwybr i'r Morfa; Clerc i wneud ymholiadau i Nigel NICHOLAS, swyddog llwybrau arfordirol y cyngor.
- VI. Ynghylch terfynau cyflymder; E-bost defnyddiol wedi'i anfon ymlaen gan y Cyng. EVANS yn esbonio sut bydd cyfnod ymgynghori yn dechrau yn yr haf a byddwn yn cysylltu â'r Cyngor Cymuned. Dywedodd y Cyng. Eglurodd EVANS nad oes unrhyw gynigion i newid y terfyn o 40 – mae'r ffocws ar leihau 30au i 20au. INSHAW y posibilrwydd o gyfyngiad amrywiol, fel yn Llanfarian a dywedodd y Cyng. Dywedodd EVANS nad yw ysgol Llanrhystud ar y ffordd gyfyngedig mewn gwirionedd ond yn hytrach ar ffordd fynediad iddi felly efallai nad oes modd ei chymharu. INSHAW hefyd a gododd y posibilrwydd o arwyddion yn dangos eich cyflymder, fel 'y ffordd i Gaerfyrddin. Consensws y Cyngor oedd "cadw llygaid ar agor ar gyfer dechrau'r cyfnod ymgynghori". Gofynnodd Mr. INSHAW am y ddyfais monitro/ceblau a osodwyd ar draws y ffordd ger y rhyd – a ellid gofyn i'r Adran Briffyrdd beth oedd ei ddiben.

David INSHAW\_Road Safety Group

Diolchodd y Cyngor i Mr. ISHAW am ei ddiweddariad.

*The Council welcomed David INSHAW to give an update on the activities of the Road Safety Group (RSG).*

- I. *Since last meeting the group has identified a need to become more "task focused". Mr. INSHAW demonstrated a draft "mind-map" of tasks.  
The Safe Routes to School proposal appears to have "morphed into a feasibility study" and there are fears that the budget could disappear, with little tangible output. Mr. INSHAW described the response from Ceredigion County Council to Cllr. G. EVANS enquiry on the subject as "disappointing.. taking 30 days to respond".  
Cllr. EVANS confirmed that the case has been moved on to the Finance Committee in the County Council and it appears that the "work will be done in-house".  
Both Mr. INSHAW and Cllr. EVANS concluded that "it's a start" and the RSG should write to Cllr. EVANS detailing "what [RSG] wants done".  
PCO Gough (spelling?) to give a briefing at the next RSG meeting. The RSG is continuing with data collection using the Raspberry.  
Mr. INSHAW to email Gwyn EVANS with specific questions for him to introduce via Click, including asking who is spending the £40k.*
- II. *Regarding the relationship between the RSG and the Community Council; the RSG's constitution question still remains but the issue has been "watered-down". The latest meeting concluded that "everything goes through the Council".*
- III. *Regarding the drainage by the ford; there is a problem with flooding. Tudor reported to the RSG that there have been a number of visits from the council. Problem appears to be the culvert near Cole & Delyth WHITELOW's house. Construction work over the road might have damaged pipe which is now blocked. John EVANS said he'd spoken to Dafydd (?) who in turn assured him that "everything was in hand" and scheduled to be fixed.*
- IV. *Regarding the path to Llanddeiniol; Clerk to make enquiries to Eifion, the council's rights of way officer.*

- V. *Regarding the path to Morfa; Clerk to make enquiries to Nigel NICHOLAS, the councils coastal paths officer.*
- VI. *Regarding speed limits; Useful email forwarded by Gwyn EVANS explaining how a consultation period will start in the summer and the Community Council will be contacted. G. EVANS explained that there are no proposals to change the 40 limit – the focus is on reducing 30 to 20. D. INSHAW raised the possibility of a variable limit, as in Llanfarian and Gwyn commented that Llanrhystud school is not actually on the limited road but instead on an access road to it so maybe not comparable. D. INSHAW also raised the possibility of signs that show your speed, as on the road to Carmarthen. The consensus of the Council was “to keep eyes open for the beginning of the consultation period”. D. ISHAW enquired about the monitoring device/cables placed across the road by the ford – could the Highways Departments be asked what it was for.*

*The Council thanked D. ISHAW for his update*  
Mandy RANDALL delivered a prepared report, attached as ANNEX 1.

2 Mandy RANDALL - Mabwysiadu Ystadau - Cam 2 a 3 Heol Isfoel

Dyweddod y Cyng. Eglurodd EVANS fod y mater wedi symud i adrannau Cynnal a Chadw Cynlluniedig a Chyllid y Cyngor. Dylai arian fod wedi'i roi o'r neilltu. Safbwynt y Cyngor yw y dylai'r trigolion "roi trefn ar bethau ac yna bydd y Cyngor yn ei fabwysiadu" Amcangyfrifir y bydd yn costio £2k ychwanegol fesul cartref. Awgrymodd M. RANDALL ei fod yn gamgymeriad ar ran y Cyngor. Dywedodd y Cyng. Cymharodd EVANS ef â "sefyllfa cyw iâr ac wy" lle mae angen i'r trigolion benderfynu a ydynt am wneud hynny eu hunain neu fynnu mai cyfrifoldeb y Cyngor yw datrys. Dywedodd C. Green ei fod eisoes wedi cyfrannu £1k ar gyfer preswylfa ar Heol Isaf – "i bwy mae hwn wedi mynd – pwy sydd ganddo?" Tynnodd M. RANDALL sylw at anhawster ychwanegol, sef bod angen i 75% o drigolion gytuno ond mae'r datblygwr (Brian WILKINS a Mark SKITT) yn dal i fod yn berchen ar lawer o'r tai. Tynnodd eraill sylw hefyd at yr arfer cyffredin o ddatblygwyr yn gadael ychydig o leiniau heb eu gorffen er mwyn osgoi talu am waith cwblhau. Awgrymwyd y dylid gofyn am gopi o ateb gan y Cyngor gan y cyfreithiwr. Daethpwyd i'r casgliad bod y Cyng. Dylai EVANS ofyn am gyngor gan Keith HENSON.

*Mandy RANDALL - Adoption of Estates - Phase 2 & 3 Heol Isfoel*

*Mandy RANDALL delivered a prepared report, attached as ANNEX 1.*

*Cllr. EVANS explained that the issue has moved to*

Planned Maintenance and Finance departments in the Council. Money should have been put aside. Council's position is that the residents should "sort it out and then the Council will adopt it" It is estimated to cost an extra £2k per household. M. RANDALL suggested it was an error on the part of the Council. Cllr. EVANS likened it to a "chicken and egg situation" where the residents need to decide whether to do it themselves or to insist that it is the responsibility of the Council to resolve. C. Green said he'd previously already contributed £1k for a residence on Heol Isaf – "to whom has this gone – who has it?" M. RANDALL highlighted an addition difficulty, being that 75% of residents need agree but the developer (Brian WILKINS & Mark SKITT) still owns many of the properties. Others also highlighted the common practice of developers leaving a few plots unfinished to avoid paying for completion work. It was suggested that a copy of reply from the Council should be requested from the solicitor. It was concluded that Cllr. EVANS should seek advice from Keith HENSON.

1	07.06.22_A220328_ Laura Jones Llaeth Llanfair - Llanrhystud Community Hall - Retrospective application for 24hr. milk hut	<a href="#">Link</a>	<p>Mae dyddiad cau swyddogol ar gyfer cynrychioliadau wedi mynd heibio (dyddiad cyhoeddi + 21 diwrnod). Dywedodd y Cyng. Bydd G EVANS yn gwneud ymholiadau ynghylch sut y disgwylir i Gyngorau Cymuned sy'n cyfarfod yn fisol ymateb o fewn yr amserlen benodedig.</p> <p>Awgrymodd C. GREEN mai cyfrifoldeb y cyngor cymuned yw hysbysu'r cyhoedd a pharhaodd fod tystiolaeth anecdotaidd yn awgrymu nad yw hyd yn oed y gofynion hysbysu lleiaf megis hysbysu cymdogion uniongyrchol yn digwydd. Dywedodd D. INSHAW ei fod wedi cael profiad uniongyrchol o hyn a bod y system bresennol yn hen ffasiwn ac nad oedd yn gweithio. Cytunodd P. Crowther hefyd nad oedd hyn yn digwydd.</p> <p><i>Official deadline for representations has passed (issue date + 21days). Cllr. G EVANS is to make enquiries regarding how Community Councils who meet monthly are expected to respond with the prescribed timeframe.</i></p> <p><i>C. GREEN suggested that it's the community council's responsibility to</i></p>

			<p><i>inform the public and continued that anecdotal evidence suggests that even the minimum notification requirements such as informing direct neighbours isn't happening. D. INSHAW said he'd experienced this first hand and that the current system was antiquated and not working. P. Crowther also agreed this was not happening.</i></p>
