

		Community Council and that the Council should be at the forefront of official representation. He drew attention to the thanks due to Avril and Tudur in particular for their commitment to resolving the traffic issues identified in the village. He also confirmed that a grant application has been submitted to the Welsh Government's Safe Routes in Communities scheme. An example suggestion emerging from the three working groups that make up the Traffic Group is for street lighting on the junction/entrance to the school from the main road and requesting that the police position a speed camera/van on the entrance to the village. The Councilors thanked Ken for his presentation and for the continuing good work of the Traffic Group.
